The "self-made" man is a familiar figure in nineteenth-century American history. But the relentless expansion of market relations that facilitated such stories of commercial success also ensured that individual bankruptcy would become a prominent feature. Navigating Failure: Bankruptcy and Commercial Society in ... Navigating Failure explores several dimensions of these opposing processes, reconstructing the antebellum experience of bankruptcy by commercially inclined Americansâ€”people who placed themselves foursquare within the world of the marketplace and who framed their ambitions according to the terms of a market society.

Navigating Failure: Bankruptcy and Commercial Society in ... In Navigating Failure, Edward J. Balleisen seeks to show how bankruptcy both sprang from and helped shape commerce during the antebellum period. He clearly describes the wide range of difficulties facing "commercially inclined Americans" (3) during the era and gives a sympathetic view of the real lives of people who bought into the idea of capitalism, but who could not quite make the dream work for them.
